Wedge Wednesday May 13th 5:30-7:30

Learn how to hit wedge shots around the green. What club should you hit, does bounce matter, how many wedges do I need? Why do they make it look so easy on tv? All of these questions and more will be the topic so you can feel confident executing shots around the green.

\$50 per student (Max 10 students)

Power Clinic Wednesday May 27th 5:30-7:30

Learn how to harness your power in the golf swing by learning the proper sequence on the downswing. Most people's swings start to fall apart when they try and swing hard to send the ball far. Learn how to train the right way. We will be using the Super Speed Stick, Mach 3 Speed Training Equipment and Orange Whip Equipment.

\$50 per student (Max 10 students)

Putt Like a Wizard Wednesday June 10th 5:30-6:30

Step up your putting this year by grooving in your putting stroke, feeling confident reading greens and dialing in your lag (distance) putts. I will be demonstrating how to use the Blast Motion Putting Device as well as plenty of useful training aids and games to improve and take strokes of your game this year.

\$30 per student (Max 10 students)

Get out of the Sand Wednesday June 17th 5:30-6:30

Do you ever feel like throwing your ball out of the sand trap? Learn how to set up and efficiently execute sand shots out of various types of sand and lies you might come across.
